West Vancouver Youth Band Society
Member Code of Conduct
Fall Workshop, September 23th to 25th, 2016

1. Band members must remain with the group, and on the campsite, at all times.

2. Curfew times determined by the music director and chaperones, dependent upon each day's planned events, must be observed. Curfew time refers to the time at which band members should be in their own rooms.

3. Band members will be respectful and considerate of *all* camp guests, personnel and property. Members are reminded that we represent both our band and the community of West Vancouver. Should any property damage occur, the families/guardians of members deemed responsible may be held liable.

4. The use of alcohol, tobacco or other drugs by band members is strictly forbidden. This is imperative for the health and safety of all band members and for legal reasons. Should any members choose to ignore this code, they may be sent home at their families/guardians' expense and their band membership will be reviewed upon return.

5. All band members are to sign out with the chaperones at the BBQ Pavilion before departing from the camp on Sunday.

We agree to the above terms.
